

Tuesday-Giving Luke 21:1-4

Video- [The Widow's Mite-A Children's Bible Story](#)

Activities:

Coin Rubbings

Materials- blank paper, coins, wax crayons

Take a selection of coins and place under white paper, color on the paper with different colored crayons to make coin rubbings. Discuss the value of the different coins and how the widow, though her coin wasn't worth much, gave all she had. What can we give to God?

Penny Spinning

Show your children how to spin a penny by holding it on its side with your pointer finger and then clicking it with the pointer finger of your other hand to make it spin. Have your child practice, and then see who can make their penny spin the longest, or see who can spin the most pennies at once.

Ask your child if they can think of anything they can buy with one penny. Discuss that you can't buy much with a penny now, but in our story today we learn that something that doesn't seem to be worth a lot can actually be worth a lot more than it seems.
